

# Crosby Symphony Orchestra

The Crosby Symphony Orchestra's 2012 concert season has both Russian and English themes running through it.

You will hear some of the best works by the most popular and well-known composers of the former Soviet Union.

In contrast, the CSO perform their annual Charity concert in July showcasing some of the best-loved English music entitled *Essentially English* in the Philharmonic Hall Liverpool.

There are four concerts in the season: three at St Faith's Church, Crosby Road L22 4QQ and a Summer concert at Philharmonic Hall in Liverpool.
