A Thank You Poem

CHRISTMAS CHEER

By Angie Price

We've shouted hip and shouted hooray
We are looking forward to Christmas Day
To bring it closer we've eaten a pie
Made by Rosie (or Rick) oh my oh my!
One pie won't do so we've eaten two
And Sarah and I send our thanks to you
We'll raise a glass for a better year
And more get togethers without any fear
A Very Merry Christmas with happier times

So this is the end as I'm all out of rhymes!! Xxx
