

*'A new commandment I give you,
that you love one another, as I have loved you'*

... at home and overseas

Since the time of its foundation, St Faith's has sought to engage with the community, both locally and abroad, through supporting or sponsoring a range of organisations and causes.

Below we list the organisations currently supported: some based at St Faith's, others supported less directly through fund-raising and or by individual initiatives. Most are to a fuller page, with contact details and websites.

Please note that the listing of an organisation does not necessarily imply endorsement of its world view or political associations.
